

# Cloud Business Phone Unlimited

## Critical Information Summary

### Information about the service

#### Service description

The CommsChoice Cloud Business Phone Unlimited plan is a business digital telephone plan with purchased handsets. You will require an internet connection in order to use this service. This can be supplied by CommsChoice separately if required.

#### Hardware

You can purchase your approved handsets from CommsChoice. BYO hardware can be used but is not supported.

#### Key details

Your Cloud Business Phone plan allows you to make and receive phone calls. The plan includes unlimited local and national calls within Australia. Other calls and optional value added services and any other equipment are charged in addition to your Monthly Access Fee.

This service may not be suitable if you require an uninterrupted phone service with access to 000 emergency services. The service will not function in the event of a power failure. Priority assistance is not available on this service.

#### Standard installation requirements

An Internet service with a minimum of 100kbps/100kbps per concurrent call is required for a CommsChoice Cloud Business Phone Unlimited plan to work.

You are required to install any purchased hardware as part of your CommsChoice Cloud Business Phone Unlimited plan. This includes any associated cabling, configuration or your network and any routers and/or switches within your network to allow the Cloud Business Phone handsets to work.

Installation options can be arranged at an additional charge. For more information please speak to our customer service team on **1300 4 COMMS** (1300 42 66 67).

### Information about pricing
